Course Outline

An introduction to patternmaking in which you will learn how to draft basic pattern blocks to your own personal measurements.

You will construct a kaftan style top, pull on pants and an (A-line or straight) skirt.

These garments will each be made up in calico to help you understand the processes involved in fitting and adjusting your blocks to achieve a perfect fit for your body shape.

A brief introduction will also be included on how to alter your blocks to various pattern styles.

Industry sewing & finishing techniques also covered.

Guys welcome to all classes!
